

EUROPEAN iGEM JAMBOREE 2013 \ LYON

On October 11-13, iGEM 2013 Europe Regional Jamboree (International Genetically Engineered Machine), the biggest student competition in the world, was held for the first time in France. The event was organized on the LyonTech-La Doua campus by INSA Lyon in cooperation with local and national

partners. Beyond the scientific competition, students and instructors of Lyon completely mobilized and coordinated to guarantee the success of the event in a festive atmosphere for the great pleasure of synthetic biologists. Recap of a weekend of competition iGEM@Lyon.

KEY FIGURES

700

participants,
distributed in 58 teams, came to defend their project in Lyon.

50

Friday, October 11th – Reception in Lyon.

Reception of the teams in music with the "Fanfare Piston", Ecole Centrale Lyon's brass band.

Saturday, October 12th – Opening ceremony : official launch of the 2013 Europe Regional Jamboree !

With the presence of Roger Genet, representing Mrs Geneviève Fioraso, French Minister for Higher Education and Research.

Saturday, October 12th – A succession of high-level presentations.

With 4 parallel sessions within 5 presentation rooms, each team had 25 minutes to present their project and answer to questions in front of the judges.

Saturday, October 12th – Social event on the Rhône after an intense day of presentations.

On the program: the first informal awards ceremony, DJ and dance floor to relax and have fun together.

... highlights in pictures.

Sunday, October 13th – A closing ceremony livestreamed all over the world.

Over 1000 followers from 31 different countries attended the closing ceremony through live streaming.

Sunday, October 13th – iGEM from above : the photo and the first iGEM Flashmob – only seen in Lyon.

At INSA Lyon, we rose up into the air with high-tech devices to arouse enthusiasm and capture every moment.

Thanks

The entire organizing team would like to thank all the people who contributed to the success of this event and especially the iGEM Foundation for the trust they have placed in us by choosing France and Lyon for the first time to host the European Jamboree.
